### Emergency Closure of Public Lands

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Closure order.

**SUMMARY:** Notice is hereby given that effective May 2, 1997 certain public lands along Fremont County Road 3 (Temple Canyon Road) are closed to recreational target shooting, for the purpose of enhancing public safety. For this closure order, shooting is defined as the discharge of any weapon for the purpose of recreational target shooting. Bow & arrows, pellet guns and BB guns are included in this definition.

Recreational shooters may use other public lands where public safety is not at risk or that have not been closed to shooting. No person shall violate any federal, state or local laws pertaining to use, possession or discharge of firearms while on any BLM administered public lands. This closure affects approximately 75 acres of public lands located 3 miles southwest of Canon City, Colorado.

**DATES:** Effective May 2, 1997 and will remain in effect unless revised, revoked or amended.

**ADDRESSES:** Bureau of Land Management (BLM), Canon City District Office, 3710 East Main Street, Canon City Colorado 81212; Telephone (719) 269-8500 TDD (719) (269-8597).

**SUPPLEMENTARY INFORMATION:** BLM administers approximately 6400 acres in the Temple Canyon area near Fremont County Road 3. This area has become increasingly popular for mountain biking, and hiking due to its close proximity to Canon City. An environmental awareness hiking/biking trail will soon be opened in this area and will include private and BLM lands in the area of this closure. Additionally, there are private lands with residential structures and livestock operations adjacent to these public lands. This closure is necessary to protect public health and safety on public lands as well as persons and property found on adjacent private lands. The closure order reflects these concerns. Those exempted from this closure order include Law Enforcement Officers in the commission of their official duties as protectors of the public.

The public lands affected by this closure are located at:
